CAREER OBJECTIVE

Enthusiastic third-year B.Tech student pursuing Computer Science and Engineering, with basic knowledge of Python, HTML, Flutter, Data Structures, and Operating Systems. Interested in technology, programming, and data analytics. Eager to learn emerging technologies, gain practical experience, and apply technical knowledge through projects and teamwork while building a career in the IT industry.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science and Engineering

Bapatla Women's Engineering College, Bapatla | 2025–2028 (Expected)

CGPA: 8.87 (up to 2nd year, 1st semester)

Diploma – Computer Engineering (CM)

Diviseema Polytechnic College, Avanigadda | 2022–2025

CGPA: 8.95

School Education

A Little Flower – The Leader, Koduru | CGPA: 8.6

TECHNICAL SKILLS

Programming: Python (Basic)
Web Technologies: HTML
Mobile App Development: Flutter (Basic)
Core Computer Science: Data Structures, Operating Systems
Data & Productivity: Microsoft Excel
AI & Design Tools: ChatGPT, Gemini, Butterfly, Canva

INTERNSHIP EXPERIENCE

Data Analytics Intern – Alfido Tech / InternSpark

11 May 2026 – 11 July 2026

- Completed a two-month internship focused on data analytics and practical data analysis tasks.
- Completed project-based work in Customer Behaviour Analysis, Superstore Sales Analysis, and Website Traffic Analysis.

PROJECTS

Inventory Management System

- Developed an Inventory Management System using Flutter.
- Applied mobile application development concepts while working on the project.

AI-Powered Automatic Block Planning for Indian Railways

- Participated in a six-member team for the Smart India Hackathon project.
- Proposed an AI-based approach to optimize railway maintenance block planning and improve asset availability.

CERTIFICATIONS

- Four-Day Workshop on Mobile Application Development – HSB Technologies, July 2026.
- Data Analytics Internship Completion Certificate – Alfido Tech / InternSpark, July 2026.

ACHIEVEMENTS

- **Science Day Winner:** Drip Irrigation System Project.

- **Poster Presentation:** Information Technology.
- **Poster Presentation:** Women Empowerment.
